### Candy Kane recovers surprisingly well

End of April Candy had a difficult operation. A tumour on her pancreas was removed during a 9 hours operation. Candy works very hard to recover very fast and all looks really good. Every day is a bit better, although it goes step by step. She felt blessed that she was able to sing a few songs at a performance of Sue Palmer on 28 May. Our tour will be her comeback-tour. She is very happy with all the attention and cards she received until now. She thanks everyone for all the warm wishes.

## DANITSA MEETS JET BUSSEMAKER

During a work visit of State Secretary Jet Bussemaker Lady Angel got the chance to tell all about her United by Music experiences. As you can see on the picture the minister was very interested and she regretted that there wasn't any time for a performance. The meeting took place at ASVZ, in the beautiful restored mill in Nieuwerkerk a/d IJssel.

## IASSID WORLDCONGRES IN KAAPSTAD

United by Music has been invited to perform in Kaapstad (South Africa). Candye Kane will also be there. We will tell you later more about the congress and the role of United by Music, so keep an eye on the website. Five of the artists will be chosen to go on this special trip. We are still looking for sponsors to finance this trip.

## HARM VAN SLEEN - SPECIAL GUEST

The very musical all-round Harm van Sleen will join the tour. Harm guides all our artists for already more than a half year. During the tour he will be the mediator between the artists and the

band of Candye Kane. But he will also bring his pedal steel guitar. [www.harmvansleen.nl](http://www.harmvansleen.nl)

## Who will join us to Schiphol?

Friday morning 20 June Candye Kane and her band will arrive at Schiphol. We try to get hundred people at the gate. Everyone who comes to schiphol will get a cap. We also give away some 100 drum-hats, drinks and food from McDonalds. The DUH from Hoogvliet will drum a serenade at their drums, but everyone is invited to drum with them on the hundred hats.

## Selling of tickets goes well

In the meantime everyone can find our gorgeous new website, so many tickets already have been sold. Around The Netherlands posters with show details of neighbour shows are hanging on the walls. Remind that sold out = sold out and that we have a certain amount of tickets available. If you want to come we advice you to book very soon!
